

CESE Introduces **Tech Talk**

Tech Talk is a recurring monthly 1-hour technical session dedicated to the discussion of a specific HVAC problem topic.

Our Tech Support Experts will share common problems related to the topic and provide service/troubleshooting tips. Technicians will have the opportunity to share their problem related field scenarios with feedback provided from our Tech Support Expert.

Sessions will be held the 2nd Wednesday of every month via Zoom web meeting or Zoom dial-in. The first session begins March 10, 2021 as shown below:

TOPIC

Defrost Boards	Mar 10, 2021 08:00 AM
IGC Troubleshooting	Apr 14, 2021 08:00 AM
HP Communicating Controls	May 12, 2021 08:00 AM

Notes:

These sessions are not eligible for Nate Continuing Ed or FAD related training credit hours.

There is no fee to participate in these sessions.
